RECEIVED

Anadarko, Okla.,  
Nov. 13, 1915.

Commissioner of Indian Affairs,  
Washington, D.C.

Sir:-

I am in receipt of your letter of Oct. 26th, relative to the narrative section of the 1915 Annual Report and a Census of Indians, on form 5-128.

I regret to have to advise you it will be necessary for me to delay the narrative section of this report for a few days longer. I had hoped to get it out by the day set by you, Nov. 12, but it will be two or three days longer.

The Census Report is a task of no small proportions but I will make every possible effort to forward it within the next ten days. I regret that I have been delinquent in these two reports, but the press of business has been so great that it has been difficult to do everything at one time.

Very respectfully,

Bandana, O. I. S.  
Nov. 15, 1915.

Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I am in receipt of your letter of October 27, relative to the Narrative Report and to the Annual Census of Indians under charge of this Agency.

I am requested to send the report in question not later than November 12. The Narrative Section of the report is forwarded herewith and I wish to apologize for not having forwarded it sooner. We have been ever yreined with work at this Agency and the writer has been particularly crowded, but felt that he wanted to make up this Narrative Report himself. This accounts for the delay in sending it on.

I should add that the Supplement which accompanied Circular No. 840, dated April 6, 1914, is not in this office and the report which is inclosed herewith has been made without consulting such Supplement.

If the Office wishes further information which has been called for in the Supplement mentioned, I shall be glad to be advised.

The preparation of the annual census is quite a large task, but I am arranging to get it to you as soon as called for in Office letter of October 1st, I will do my best.

Very truly yours,

Superintendent.

Sir:

I am inclosing herewith Census of the Indians under charge of this agency. By reference to the Annual Report it will be noted that the Census reports show an increase of ten Comanches and a decrease of one Apache and a decrease of two Kiowas, making a net increase of seven Indians shown in the Census over that reported in the Annual Report. The Census rolls, it should be stated, are correct.

Very truly yours,
